RE: Speaking Invitation
 Junior Statesmen Summer School
 Old Executive Office Building
 Washington, D.C.
 20 July or 2 August 1988

Speakers Program Director of the Junior Statesmen Summer School, Mr. Ted Green, has invited you once again to meet with 200 high school students who have been chosen to attend the 48th annual Junior Statesmen Summer School in Washington. The meeting will be in the Old Executive Office Building, either 20 July or 2 August, for 30 minutes sometime between 9:30 a.m. and 4:00 p.m., to be arranged at your convenience. As you recall, you spoke to the Junior Statesmen group in 1985.

Since we deferred the invitation last year to Academic Coordinator [redacted] [redacted] I suggest that we again ask him to handle it this year. You are already scheduled on 20 July for your portrait unveiling at the FBI and you have vacation plans for 2 August. If you agree, I have attached a letter of regret for your signature.

Dear Mr. Green:

STAT
STAT
Thank you for inviting me to meet with students selected for the annual Junior Statesmen Summer School on July 20th or August 2nd. Unfortunately, my schedule is filled for those dates and I cannot accept. However, I would like to suggest that our Academic Coordinator [redacted] speak to the students in my place as he did last year. [redacted] has addressed academic and student audiences all over the country, and I think he could provide your group with a view of intelligence affairs that would be informative and interesting. A member of my Public Affairs Staff will be in contact to discuss arrangements.

I would like to commend the Foundation for educating our leaders of tomorrow in the workings of the US Government. I wish you a most successful summer program.

Sincerely yours,

/s/ William H. Webster

Dear Judge Webster:

I am writing to invite you to meet briefly with two hundred outstanding high school students who have been selected to attend the 48th annual Junior Statesmen Summer School. Your past participation as a speaker has provided our students important insights into the operation of our government.

Ed Meese may have already contacted you to outline his many years of involvement with the Junior Statesmen program.

You are cordially invited to meet with these young leaders for a 20 minute off-the-record question and answer session. We would like to meet with you Wednesday, July 20 or Tuesday, August 2 in Room 450 of the OEOB. If your staff can give me a call, I am sure we can arrange a mutually convenient time.

Each year, most members of the Cabinet, as well as many members of the Senior White House Staff, meet with the Junior Statesmen students. I know that you will be impressed with the caliber of these young leaders and the thoughtfulness of their questions.

I hope you will be able to meet with us briefly this summer. You can reach me in Washington, D.C. at (202) 737-1177.

Sincerely,

Ted Green
Speakers Program Director
